## COLNEY HEATH PARISH COUNCIL

### COMPLAINTS PROCEDURE

#### 1 INTRODUCTION

- a This procedure is intended to assist Colney Heath Parish Council in dealing with formal complaints they receive about their operations and services.

#### 2 DEFINITION

- a 'A complaint is an expression of dissatisfaction about the council's action or lack of action or about the standard of service, whether the action was taken or the service provided by the council itself or a person or body action on behalf of the council.
- b A complaint against a local council may arise for the reasons given above. It may also be triggered by an allegation of administrative fault such as not following procedures or standing orders, inadequate service, no service, delay or making a mistake.
- c When a complaint is made against a local council, member(s) of the council or staff are likely to be mentioned or complained about. However, a complaint against a council should be treated as a complaint against the body corporate of the council, not as a complaint against individual employees or members of the council.
- d Occasionally it might be necessary to notify the council's insurers of a complaint immediately. This could be appropriate if a complainant seeks redress for personal injury, damage to property or other financial loss (e.g. in respect to libel) or where the council is at risk of being held liable in law to pay damages or to provide another legal remedy. It is important that the council takes instruction from its insurers as to how to respond to the complaint.
- e A complaint against a council that involves a complaint about the conduct of its employees must be handled in accordance with its complaints procedure. If, following the outcome of the complaint, the council decides that there may be a need to take disciplinary action, this should be in accordance with its own disciplinary arrangements.

#### 3 RECEIPT OF THE COMPLAINT

- a All formal complaints against a local council must be communicated in writing.
- b The complainant will be asked, at the outset, to confirm if they wish the complaint to be treated confidentially.
