1. 1997 - 1999 PARISH COUNCIL GRASS CUTTING CONTRACT

The Clerk reported that she had invited six local companies to tender for the 1997/99 grass cutting contract and had received five replies.

The Clerk presented the unopened replies to the Vice Chairman who opened the envelopes in front of the meeting.

Two of the five replies had declined to submit a tender as they did not feel they had the necessary equipment required for the specialist cutting.

One of the remaining three, one Contractor had not given a price for the Common so the Councillors agreed to eliminate that tender from further consideration.

Councillors then compared the remaining two quotations for the individual areas included in the grass cutting contract.

The Vice Chairman reminded Councillors of the Parish Council's responsibility to ensure that the Common and recreational areas were cut to the specification in the contract documents while attempting to keep to the relevant budget allocation.

After discussion:

RESOLVED that on the basis of quotations received and the Parish Council seeking to obtain the best value for money, Mr. Royce Paxton be awarded the 1997-99 Grass Cutting Contract for Colney Heath Parish Council.

The Clerk undertook to write to Mr. Paxton informing him that his tender for the contract had been successful while also writing to the two unsuccessful companies to inform them that, on this occasion, their tenders had not been successful.

There being no further business the meeting closed at 8.05 p.m.
