## 1. WHAT IS THIS REPORT ABOUT?

A resident approached a Councillor with regards a further noticeboard near their home in Smallford. Can this noticeboard be replaced? This was taken to Council who asked for a report to be reviewed at Finance & Governance looking at the cost of more noticeboards and where they would be placed.

## 2. RESOURCE IMPLICATIONS

**YES**

**X**

**NO**

To install further noticeboards of the same style and type installed would cost between £1300-£1500 depending on the number purchased together.

The thought process behind the installation of the previous boards was that there was one noticeboards in each Ward. Should a noticeboard be placed in Smallford then it could be expected that other hamlets such as Sleafshyde and Tyttenhanger would request once as well.
