

St Albans District Council (SADC) Community Governance Review 2022

An update on Parish Council Arrangements (SADC letter 19th July 2022)

SADC recommend splitting Colney Heath Parish Council in to rural and urban and moving Highfield to the unparished areas of St Albans

Which way for Highfield?

WHAT THIS MEANS FOR HIGHFIELD RESIDENTS?

- Less chance to protect and support Highfield Park
- Your precept won't be spent in Highfield

We will have:

- limited representation
- no voice to be heard
- no rights to be formally consulted
- limited ability to effect SADC decision making

HIGHFIELD WARD PARISH COUNCILLORS RECOMMEND FORMING HIGHFIELD PARISH COUNCIL

HERE IS WHY:

- 100% of your precept (the money you pay to the Parish Council) will be spent to benefit Highfield.
- Highfield identity enhanced and formally recognised
- More chance to promote and support Highfield Park
- Your precept will be lower
- Highfield represented at all levels

WHAT DO WE NEED FROM YOU?

Let SADC Councillors know you support **Highfield Parish Council** being formed - to promote, protect and support Highfield by sending an email to: elections@stalbans.gov.uk by **16 September 2022 no later than 4pm**

Please use any reasons above. We need at least 250 emails/letters for us to be taken seriously, so please ask your friends, neighbours, and all family members (as individuals) to email as **every single email counts**
