Colney Heath Parish Council Launches WhatsApp Bulletin Group

September 2025

Hello, Residents of Colney Heath Parish,

Colney Heath Parish Council has set up a WhatsApp Bulletin Group to share important parish news, updates, and event information quickly and easily.

We already use a range of communication channels, including email, Facebook, and our website, but we know that not everyone is reached through these. As WhatsApp is widely used, we hope this new service will help keep more residents informed.

This is an **information-only group**. That means only the Parish Council will be able to post announcements, so you won't receive unrelated chats or discussions. Messages will be kept to a minimum and will include updates on events, projects, meeting dates, and urgent notices such as road closures or utility works.
